Proceedings before the Honorable Joseph G. Huffman one of the Judges in and for the first Subdivision of the Seventh Judicial District of Ohio began and held at the Court House in the Town of Logan and County of Hocking on the 16th day of Sept. A.D. 1895.

Be it remembered that heretofore, to wit: On the 15th day of August A.D. 1895 came Clarence E. Poston by L. D. Vickers his Attorney and filed in the office of the Clerk of Court of Common Pleas his petition which is as follows:

Case No. 2764

Clarence E. Poston
Ex part

In action to Vacate Lots, Streets
and Alleys to the Town of Logan.

Petition: To the Hon. Court of Common Pleas of Hocking County, Ohio.

The Undersigned represents that he is the sole owner in fee simple of the following described Real Estate, to wit: Village Lots No. 37, 38, 39, 40 and 41 of the Culver Assignee's Addition to the Village of Logan, Hocking County, Ohio, containing five town lots all within the Village of Logan Hocking County Ohio, and being a part of fractional lots No. 9 and No. 21, Section No. 11, Township No. 14, Range No. 17, Hocking County, Ohio, containing about six & $\frac{2}{100}$ acres.

The undersigned that he is also the sole owner of the following Real Estate, to wit: Lots No. 6 to No. 58, inclusive of sub-division of the Culver Estate being a part of fractional lots No. 9 and No. 21, Section No. 11, Township No. 14, Range No. 17, Hocking County, Ohio, containing about _____ acres and said last named Real Estate being situated out side of the Village of Logan and adjoining the first described tract.

The undersigned says that the whole of said land above described formerly constituted the Homestead of Lawrence A. Culver and was one solid tract of land lying partly within and partly outside of the Village limits of the town of Logan, Ohio, and the undersigned represents that Samuel H. Bright and O. W. H. Wright as the assignees of said L. A. Culver under the orders and direction of the Probate Court of Hocking County, Ohio, caused the whole of said Real Estate constituting said Homestead of said Lawrence A. Culver aforesaid, to be platted and laid out into lots, avenues, streets and alleys as an addition to the Village of Logan, and the same was accepted by the council of said Village as such addition which was designated as the Culver's Assignee's Addition to the town of Logan, Ohio, a plat of said addition and sub-division of the said Culver Estate is hereto attached, marked exhibit "A" and made a part of these proceedings.

The undersigned further represents that said tract of land constituting said Culver Homestead was laid out and platted into said Culver's Assignee's addition and sub-division of said Culver Estate by said Assignees in order to facilitate the sale of said Real Estate, so that in the event the same could not be sold as an entire tract by the assignees that they might be able to sell it in lots as so platted and laid out, but the undersigned says that he purchased the entire tract as an entire tract and is now the sole owner thereof. The undersigned says that there are no traveled through said tract, that the public has no actual use of the streets and alleys laid out through said Real Estate and that he does not desire to sell any portion thereof in lots and that the continuing of the same upon the records and tax duplicate, will be a great inconvenience to both himself and the officials, in the keeping of the tax record thereof, and will be unnecessary and of no benefit to the public generally, but a mere inconvenience to the undersigned. Therefore, the undersigned, as the owner of the aforesaid Real Estate, prays that the whole of said addition, and the whole of said sub-division, with the streets, avenues and alleys may be vacated as an addition as if the same had never been laid out, and platted and accepted by said Village.

L. D. Vickers his
