**SAFETY COORDINATOR MARJORIE DAVIS-SPACE HEATER POLICY:** Safety Coordinator Marjorie Davis spoke to the Commissioners about the use of space heaters. **AUDITOR KEN WILSON-EMA BUDGET:** Auditor Ken Wilson gave the Commissioners an overview of the EMA budget and spoke about the EMA's EMPG Grant and the county's match. John said he doesn't feel they should give the full amount because all of the other departments in the general fund had to cut their budget, he also doesn't feel that Sue's budget sheet is accurate. Ken said without her being here, it would be difficult to translate because there is some comingling of funds. He said that they cannot use LEPC funds for part of the match. Sandy said she doesn't see how they can't pay the full amount, and she doesn't feel they should be discussing the situation with out Sue present. Greg said the state determines how much they will give and the county has to match it and added that the Prosecutor gave her opinion that they should pay the full amount. The discussion will be postponed until EMA Director Susan Rauber can be present.
