PUBLIC COMMENT:

William Kaepfner asked if the issues in Murray City have been resolved.

Rebecca Berwanger commented that they are currently working on it. She is not completely satisfied, but is giving them time to work on things.

Gary Waugh said that he made the Prosecutor aware of what was going on and send the Sheriff's office out to check on the roads. He also wanted to encourage everyone if they have any issues to make the Commissioners aware of what is going on.

Rebecca also wanted to know the steps they would need to take if they have any issues.

Jeff Dickerson said that the Commissioners need to be made aware with Gary Waugh requesting that Gary Silcott is the first person she would need to contact.

Jeff Dickerson reminded everyone that the Courthouse will be closed Monday February 18th for President's Day and suggested since Murray City had a meeting that all three of the Commissioners should attend the open meeting to show their support.

Commissioner Waugh expressed what a major project the Murray City Sewer Project was and that he appreciated Rebecca and Charmia for coming to the meeting.

Jeff Dickerson said that he didn't have an answer back for William Kaepfner about getting a stop sign put in but is confident they could get it taken care of.
