Commissioner Ogle called Stantec and talked to Gary Silcott, and was able to find an individual to inspect the Grandstand.

## COMMISSIONERS MEETING FEBRUARY 13, 2020

Commissioner Dickerson briefly mentioned he would like the Grandstand to stay in the name of Mr. Vermillion. This can be discussed at a later time though.

Jim Kalkosh asked the Commissioners if they are still moving the concrete building of the Engineer's. Commissioner's replied no just the metal building.

Commissioner Ogle briefly discussed the Clerk being out due to illness and IT Director Mark Stout is doing a great job stepping in for her.

Commissioner Dickerson gave an informed update on the new jail.

Sue Morgan asked if they have an idea of percentage of male and women that are in jail now.

Commissioner Dickerson replied around 25-40 women. We would offset it, we are not taking any males for the new jail. If we take 25 females, we will do everything to offset it with 25 males. We don't want to suffer any financial loss.
