Sheila Wolfe discussed two grant opportunities. The first grant is the National Endowment for Arts. This grant would pay salary, mortgage, and utilities. Commissioner Ogle asked if the 10% admin fee would cover Gretchen's work and time. Gretchen replied that it would be fair compensation.

Motion by Gary Waugh and seconded by Sandra Ogle to allow the grant application to begin, with discussion that Gretchen keeps track, and requests more admin fee if the 10% is not enough.

Vote: Ogle, yea, Dickerson, yea, Waugh, yea.

IT Director Mark Stout replied that the math would equal out to 500-600 hours for the 10% admin fee, and Gretchen would not have that many hours put in.

The next grant in discussion is funding from the ARPA funding the county received to help with community economics and infrastructure. IT Director Mark Stout replied with the multiple projects already committed to, the
