Resolved unanimously that Col. Benjamin Talmadge, Col. Robert Oliver and Col. John Manney be a committee to examine the situation and quality of a tract of land now lying unappropriated, being a part of mile square lot number thirty-five in the second Township and eighth Range. Said committee are directed to report the estimated contents, as well as the quality of the land & designate where the dividing line ought to run between the lands proper for sale and those proper to be reserved for common &c

January 8th

The committee appointed to examine the situation and quality of a tract of land now lying unappropriated, being a part of mile square lot number thirty-five in the second Township and eighth Range reported; which report was accepted & ordered to lie upon the files.

(Report)

The committee appointed to view the unappropriated land in mile square lot no. thirty-five in the 2nd Township in the 8th Range lying on the West side of the river Muskingum, beg leave to report that they have taken a general view of said lands & would divide the same in the following manner.
