Note: In the foregoing list of names and numbers the six hundred and forty acre lot (being a mile square) is numbered agreeably to the Land Ordinance of Congress of the 20th of May 1785, and the two hundred and sixty two acre lot is ascertained by the Range, Township and mile square lot or lots in which the same lies, but was drawn with and on the plan, bears the same number with the six hundred and forty acre lot to which it is annexed. To ascertain which of the aforesaid lots a Proprietor has drawn, and has hereby divided & allotted to him by any number on the line against his name, reference must be had to the head of the column in which the number stands.

In the Sixth Division R stands for Range and T for Township. For the particular boundaries and dividing lines of each Proprietors lots, reference must be had to the plans and surveys which have been and shall be executed, agreeably to the aforesaid Land Ordinance and the resolves of the Ohio Company aforementioned.

Now we whose names and seals are affixed to this instrument, Proprietors in the Ohio Company, Original Agents or Agents specially appointed & authorized to divide and allot the lands purchased in behalf of the Ohio Company, and to do
