I hereby certify the following to be a correct plat of S. H. The regular lot front 106 links and extend back 253 1/2 links and contain 2 1/2 of an acre; the dimensions of each fractional lot is written in links on the plat, and the quantity expressed decimally. The interior alleys are 18 links wide and coincide with those of the old town. Jefferson Alley is 25 links wide. Jackson Street contained is 33 1/2 links wide and runs N 30° E. and S 30° W. Surveyed June 21 1872. By Levi Davis Surveyor H. C. O.

I Silas H Wright of the county of Hocking formerly put now of Lancaster Ohio, on the 25 day of June 1872, intending to make an addition to the town of Millville in Hocking County Ohio, had Col Levi Davis, to make a plat of the lands to be constituted such additions, but the said Wright, on further consideration does not deem it advisable at present to make so full and large an addition, or to have Jackson Street extended as upon the plat herewith filed. Jackson Street is to be extended to the place where it is now marked and laid out pretty nearly as indicated between the black lines on the plat marked "B B", and I do hereby dedicate and set apart for public use all the alleys and streets designated on the accompanying plat, east of Jackson Street marked "B B" but all the lots and fractional parts of lots west of said "B B" are not to be considered as an addition nor are any streets or alleys west of "B B" in any manner dedicated or set apart to public use. Silas H Wright.

State of Ohio Hocking County ss. Personally appeared before me, W. M. Davcy, a justice of the Peace within and for the County of Hocking, who is proprietor of the intended addition to the town of Millville in Hocking County Ohio, and acknowledged the foregoing plat with the savings and exceptions therein named to be his voluntary act and deed for the purposes therein contained. Given under my hand this 25 day of July 1881. W. M. Davcy J. P.
