

HOCKING SOIL AND WATER CONSERVATION DISTRICT

SOIL PROBE LOAN AGREEMENT

The Hocking Soil and Water Conservation District will loan a soil probe free of charge. The person borrowing the soil probe will keep the probe in good condition. The soil probe shall be used in a timely manner and returned to the District within seven (7) days of the date they pick it up. If the borrower needs the soil probe longer than seven (7) days, they will call the Hocking SWCD Office at (740)385-3016 for permission to keep the soil probe longer.

The person borrowing the soil probe further agrees that if they fail to return the soil probe in good condition to the District within seven (7) days (or other time agreed upon by Hocking SWCD), the borrower will be charged \$125.00 for replacement of the soil probe.

Date Picked Up: _____
